(Includes mini-workshop and lunch or dinner)

Each session begins with a short watercolor tutorial with step-by-step instruction and individual guidance.

Then it's time for independent sketching—indoors in winter and outdoors in the summer and fall.

Winter sketching sessions are held during the day and include a lunch of yummy homemade soup, salad, and bread.

Summer and fall sessions meet in the late afternoon and evening when you'll enjoy mouth-watering hors d'oeuvres and wine on the porch as the sun goes down.

*Relax with your sketching buddies at Summerhill!*
