JUDGE

Michael Sherwin, Associate Professor of Art in the School of Art and Design at West Virginia University, will be our judge for the show. Michael Sherwin is an artist currently based in the Appalachian Mountains of northern West Virginia. From an early age, he found inspiration in the phenomena of the physical world and has spent most of his life exploring and seeking wild places, including nine years in the American West. Using the mediums of photography, video and installation, his work explores scientific, cultural, and historical interpretations of the natural world. He has won numerous grants and awards for his work and has exhibited widely, including recent exhibitions at the Atlanta Contemporary Arts Center, Morris Museum of Art, Huntington Museum of Art, and the Center for Fine Art Photography among others. We are pleased that he is able to give us his time to judge the show.
